

HEBER SECOND WARD,

HEBER, UTAH.

JANUARY 26, 1930.

Dear Brother:

It has always been the policy of the Heber Second Ward not to run in debt, but to pay its bills as it goes along. We built our Ward Chapel at a cost of about \$20,000.00 and paid for it when it was completed and before we moved in to occupy it.

At present our Ward is out of debt but we have no funds on hand for Ward Maintenance, and we desire to continue our policy of paying our bills as we go, and thus keeping out of debt. We have accordingly gone over the Ward and tried to apportion a fair and equitable assessment against each family of the Ward. The Amount allotted to you is \$_____.

We trust you will favor us with this amount within the next few days.

Very truly your Brethren
